Will be a special feature of this sale rarely ever filled at these prices.

Soaps and powders, perfumes and brushes, rubber goods, drugs and proprietary medicines.

THERE'S no use talking, the values are here in such numbers that you can't expect another sale like this again this season. One day is not sufficient to fill the wants of the army of discriminating people who depend upon Simpson Crawford Co. for their Fall supply of what they know absolutely to be the best standard toilet articles. The sale only begins to-morrow. It continues all day Thursday, Friday and Saturday right up to six o'clock, closing time.

The reason you can't expect another sale of such magnitude this season is that right after this event we begin preparations for the holiday season. Instead of three or four sales we have arranged values with a determination to supply the Fall and Winter needs of our customers now—all this week.
